REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

J. D. Lever Elementary is a family-friendly community school that involves all stakeholders in the education of children. Our main goals continue to be student achievement, closing the achievement gap, and social and character development. We are very proud of the accomplishments made during the 2009-2010 school year.

J. D. Lever School, in conjunction with the Golden Harvest Food Bank, implemented "The Backpack Program." This program provides healthy, nonperishable weekend snacks for at-risk students. We also participated in the USDA National Breakfast Program which provides free breakfast to all students regardless of income.

Our business partnership with Shaw Industries continues to provide incentives for our students, faculty, and staff. Shaw employees are actively involved in the mentoring program which assists low-performing students with academic support and social interaction skills.

Our collaboration with USC-Aiken continues to flourish with programs such as our on-site Professional Development School (PDS). The PDS program provides college students with "real life" experiences in working with elementary students in classroom settings.

The use of technology, including Smartboards, laptop computers, Airliners, and Senteos Response Systems (SRS), assists students in being more prepared for the future.

Various evening workshops, including Internet Safety and Make-a-Book programs, allowed parents to become actively involved in their child's learning.

Students are rewarded for displaying positive character traits through the "Caught Being Good" and "Terrific Kids" programs.

The School Improvement Council (SIC) worked closely with the Title I Committee in developing goals that assist in providing a positive and safe learning environment.

Mrs. Carolyn Williams, a Reading Interventionist, earned National Board Certification. Mrs. Dawn Bryant and Mrs. Margaret Green both earned their Master's Degree.

Teachers were awarded more than \$3,000.00 in grants.

The administration, faculty, and staff at J. D. Lever look forward to another year of collaborative teaching and learning. We anticipate the challenges of the upcoming school year and embrace each day as an opportunity to make a positive difference in the lives of our students. We are thankful for the support of the parents, volunteers, and community partners. By working together, we can be successful in educating our leaders of tomorrow.
